

## Job Description: Heavy Duty Mechanic

**Title: Heavy Duty Mechanic**

**Reports to: Shop Manager**

**Division: Heavy Civil Construction**

**Location: Terrace, BC – Job location Victoria, BC (Saanich district)**

Bear Creek Group is one of the largest private General Contractors in Northwest British Columbia. With our experience, size and ownership structure we have the advantage, flexibility, focus and specialization that some of our largest competitors lack.

With over 50 years of experience in heavy civil construction our teams deliver complex projects safely, economically and on schedule. Bear Creek Group is proud of our safety first culture which is driven by our dedicated HS&E team.

Heavy duty mechanics perform preventative maintenance and repairs to the company's equipment fleet, including mechanical transmissions, drive trains and final drives, hydraulic transmissions, power take-offs, wheel-mounted vehicle suspension and steering, highway vehicle tires and wheels, differentials, brake system, and other duties as required. Adjust equipment and repair or replace defective parts; clean, lubricate and perform other maintenance work; service attachments and working tools; verify and repair emission control systems; troubleshoot and inspect equipment to detect faults and malfunctions; diagnose faults or malfunctions using computerized and other testing equipment to determine extent of repair required; test repaired equipment for proper performance and to ensure that work meets manufacturer's specifications.

### Responsibilities:

- Carry out all assigned repairs and inspections to meet operational, safety and cost control demands.
- Complete all repairs in the shop or in the field as needed.
- Ensure work orders and maintenance records are kept up to date.
- Responsible to move equipment in and out of the shop safely.
- Maintain a clean and safe work environment

### Requirements:

- 3+ years' experience
- Journeyman Heavy Duty Equipment Technician Certificate
- Class 1 License (considered an asset)
- Experience, five years or more preferred.
